

# Catholic High School Honor Roll

## WHY SCHOOLS APPLY

Schools have found that placing in the Top 50 is powerful publicity. Whether it is with media coverage, institutional recognition, or praise from the local community, schools are seeing increased enrollment, energized staffs, and proud donors.

## COMMUNITY AFFIRMATION

*"Being named to the Honor Roll provided a huge impact within our community."  
Kyle L. Groos, O'Gorman High School—Sioux Falls, SD*

## DECISION-MAKING RESOURCE

*"I am grateful for the information your honor roll provides...we are currently considering a move to another part of the state...do you have any suggestions?"  
Jennifer O'Neill, CT*

## EVALUATIONS

*This year all applicant schools will receive a personal, detailed evaluation to help foster improvement.  
The evaluation:*

- Examines your strengths and weaknesses
- Compares you to schools nationwide
- Gives constructive criticism
- Offers tips for improvement.

## INCREASED ENROLLMENT

*"We received about 100 more enrollees from public schools."
