Our Lady of Grace High School

Our Lady of Grace gets high marks in honor roll

Our Lady of Grace High School has been named in the top 20 schools in the nation in two of three categories measured by the Catholic High School Honor Roll.

The Catholic High School Honor Roll is an independent project of the Acton Institute for the Study of Religion and Liberty of Grand Rapids, Mich. The primary goal of the honor roll is to encourage schools to educate their students as effectively as possible, in a way that integrates Catholic faith and prepares students for active engagement with the world. In addition to the top 50 list, the honor roll also published the top 20 finalists in three categories that are important to overall excellence: academics, Catholic identity and civic education.

Our Lady of Grace High School was a category leader in the areas of Catholic identity and civic education. Next year, Our Lady of Grace will also be eligible to be considered in the academics category when PSATs have been administered to the school's juniors for the second year.
