### **LM Catholic named to nationwide honor roll**

ST. JOSEPH – Lake Michigan Catholic High School has been named to the 2005 Catholic High School Honor Roll, which recognizes the top 50 Catholic secondary schools across the nation.

The roll is a project of the Acton Institute for the Study of Religion & Liberty, based in Grand Rapids.

The Rev. Bernard O'Connor, president of DeSales University, in a prepared announcement, said it provides a valuable service.

“It is important to highlight the accomplishments of schools that are contributing in exemplary ways to the moral and intellectual formation (of)...their students,” he said.
